

# "SULAM FOR FUTURE SUSTAINABILITY"

# SULAM POSTER COMPETITION

IN CONJUNCTION WITH  
**2<sup>nd</sup> NATIONAL CONFERENCE ON SULAM 2023**

Welcome to Service Learning Malaysia–University for Society (SULAM) Poster Competition which will be held in conjunction with 2nd National Conference on SULAM 2023. This exciting event celebrates the power of service learning and provides a platform for participants to showcase their innovative projects and initiatives.

In this competition, we invite students, educators, and researchers from various disciplines to create compelling posters that highlight their service learning experiences, outcomes, and transformations within the scope of the conference theme, "SULAM for Future Sustainability". Participants will have the opportunity to share success stories, best practices, and lessons learned, inspiring others to engage in service learning and contribute to social change.

We encourage participants to unleash their creativity, effectively communicate their service learning projects through visually engaging posters, and demonstrate the positive impact they have made. Join us in this celebration of service learning and together let's create a better future through education, community engagement, and meaningful service.
